

Job Title:	Associate Tutor – Trauma Informed Practice
Responsible to:	Senior Tutor
Location:	Remote
Payment:	£1,500 per certificate group of six learners. £3,750 per diploma group of six learners.
Hours:	Varied
Contract:	Based on number of groups
Role Summary:	To provide support to learners on their journey completing a BTEC accredited qualification with the Restraint Reduction Network.

Key Responsibilities and Duties

- Support groups of learners through their selected qualification.
- Meet with each group at selected times, at least monthly in a group tutorial, to discuss their progress and support with course content and e-learning.
- Complete a written record of Group Tutorials and one-to-one tutorials and store in line with Bild protocols.
- Guide and advise learners on the qualification assignments, following the qualification assessment criteria.
- Using the associated grading forms, to grade and give written feedback to learners on their submitted assignments.
- Use the Learner Management System to track learners progress through the qualification and support learners to complete.
- Attend bi-monthly tutor meetings – these may take place outside office hours.
- Develop and maintain positive relationships with Restraint Reduction Network (RRN) stakeholders including all RRN staff, new and existing customers, associate consultants, RRN advisors, people with learning disabilities, autistic people.
- Be an ambassador for the RRN qualifications.

* Please note that due to perceived conflict of interest in the Bild Group RRN Tutors and other RRN Associates cannot work for Physical Intervention Training Providers.

Equal Opportunities

The Bild Group strives to be an equal opportunities employer. In working towards this aim no employee, or job applicant will receive less favourable treatment on the grounds of their role, gender, age, disability, race, nationality, ethnic or national origin, colour, sexual orientation, domestic circumstances, social and employment status, gender reassignment, privately held political

opinion, trade union membership, religious or similar philosophical belief, or disadvantaged by conditions or requirements which cannot be shown to be justifiable.

We are committed to ensuring all employees have fair and non-discriminatory systems for recruiting or accessing training to enhance the development or promotion of staff.

Confidentiality

The confidential nature of the work means that employees working within the Bild Group must maintain the strictest security in relation to documentation and ensure that confidentiality is maintained at all times in accordance with relevant Data Protection and associated legislation.

Health & Safety

The postholder is expected to make themselves aware of and comply with the Bild Group's Health and Safety Policy.

This role profile is designed to identify principal responsibilities. The post holder is required to be flexible in developing the role in accordance with changes within the Bild Group's management agenda and priorities.
